1. Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2017; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

2. 2016/17 External auditor's report

Except for the matters reported below on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met.

The Council states in Section 1, item 2, that in 2016/17 it had maintained an adequate system of internal control, including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness. However, the internal auditor answered "no" to the relevant assertion in Section 4 due to an overpayment of staff expenses. We do however understand that the issue is now been rectified both regarding the new system being put in place and also the repayment of the overpaid amount and should not be a problem in the future.

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

Initially there was an issue with the bank reconciliation due to unrepresented cheques not being included in the cashbook, preventing this from reconciling with the bank statement. In future the Council should ensure that the Annual Return and associated documentation are accurate and complete.

3. 2016/17 External auditor certificate

We certify that we have completed our review of the annual return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2017.
