PLN19/20-06 Planning Applications

a) To consider the following new applications:

App. Ref.	Location	Proposed Work	Recommendation
19/01218/ FUL	Land North Of M4 On East Side Of Hampstead Norreys Road, Hermitage	Single gypsy/traveller pitch comprising a mobile home and a touring caravan.	Object

Comments:

West Berkshire Council already has suitable allocation for gypsy/traveller sites. Under the Council's Core Strategy Development Plan Document (2006-2026), as per policy CS 7, this site is outside of the settlement boundary. The site also sits within the North Wessex Downs AONB. This application fails to conserve and enhance the AONB.

The applicant has failed to demonstrate that surface water will be managed in a sustainable manner through the implementation of Sustainable Drainage Methods (SuDS) as per Policy TS3 of the Housing Site Allocations DPD (2006-2026).

The applicant has failed to provide an integrated water supply and drainage strategy in advance of development to ensure the provision of adequate and appropriate infrastructure for water supply and waste water, both on and off site as per policy TS3 of the Housing Site Allocations DPD (2006-2026).

Agenda Item 10(a)

There is no suitable safe and easy access to public transport service & other local amenities. Core Strategy Development Plan Document (2006-2026) as per policy CS 5.

There is no mains sewerage available to this site. The socio-economic cost benefits to the local economy of having the main utilities extended to this site are far less than the gain to the wider community.

There are numerous inaccuracies on the planning application submitted.

b) To receive a report on West Berkshire Council recent planning decisions

App. Ref.	Location	Proposed Work	Response from HNPC	WBC Decision
19/00820/ HOUSE	2 Forge Cottages, Forge Hill, Hampstead Norreys, RG18 0TE	Excavation of rear garden, construct retaining wall, excavate terrace and construct garden room.	No objections	Approved

Hampstead Norreys Parish Council - Small Grants Awards

Standard Criteria/Conditions/Guidelines of Grant Aid

Introduction

Hampstead Norreys Parish Council is committed to supporting and strengthening the many community groups and organisations that help to make a positive difference to the residents in the Parish. Please read the following guidance before applying.

Standard Criteria - Any organisation may apply for a grant, provided that:

1. The organisation would normally be non-commercial and operated with no undue restrictions or limitations on membership within the remit of the group.
2. The organisation has clearly defined aims, objectives and operational procedures.
3. The organisation must be undertaking a project or must be providing a service which can be demonstrated to be of real benefit to the people of Hampstead Norreys Parish.
4. The organisation can demonstrate evidence of its need for financial support. Payment will not be made where the organisation could reasonably meet costs from their own or other available funds. Organisations may need to submit copies of their most recent accounts to provide proof of their current financial situation.
5. The organisation is based within the geographical boundaries of Hampstead Norreys Parish or immediately adjoining, although consideration may also be given for organisations based outside of this area, or who are a national organisation.
6. The organisation has a bank/building society account in the organisation's name with evidence of financial control.
7. The organisation makes only one application per Parish Council financial year. Applicants are expected to demonstrate that they will raise a minimum of 50% of the grant purpose and therefore grants will not normally be awarded for more than 50% of the cost of the project and will not normally exceed £1,000.

Standard Conditions

1. The grant can only be spent in accordance with the purpose for which it is given. The Parish Council may require evidence/evaluation that the grant was used for the purpose for which it was awarded and any conditions imposed on the grant will have to be satisfied.
2. The Parish Council reserves the right to recover the grant, and/or moveable equipment purchased with grant money, if the organisation ceases to operate or if the grant is not used for the purposes specified in the application.
3. The Parish Council may require applicants to attend a meeting to explain their application or provide further information.

Process Guidelines

1. The Parish Council may award either the whole or a proportion of the amount requested or support may be given to specific items within an application.
2. The award of a grant in any previous year is no guarantee that an organisation will be successful with any current proposal.
3. The Parish Council will use the standard criteria (listed above) in its consideration of grant applications but reserves the right to take into account special or unique circumstances.
4. The total number of grants awarded may vary from year to year and the Parish Council is under no obligation to make any awards at all.
5. The Parish Council encourages applicants to give consideration to other grant application opportunities available to them.
6. The Parish Council's decision (in considering, awarding or rejecting an application for a grant) is final.

Hampstead Norreys Parish Council

Risk Assessment and Management 2020/21

Version number	1	Minute reference	
Adopted by	Full Council	Review due	APCM May 2021
Date adopted			

1. Introduction to Risk Assessment and Management

The failure to manage risks effectively can be expensive in financial terms and also in terms of service delivery. It is important therefore that Councils have in place a system to help them assess and manage risks. Ultimately risk management is the responsibility of Members because risks threaten a council's ability to achieve its objectives.

Assessment and Management of risk is one of the mandatory areas addressed on Internal Audits. The Risk Assessment system and associated Risk Register will be used by Internal Auditors to assess whether the Council takes seriously its possible exposure to risk and has put in place actions to limit the consequences of potential risks.

For smaller parishes, this system will be relatively simple. It can essentially be broken down into the following 3 main steps:

- Identifying the key risks facing the council
- Evaluating the potential of one of these risks occurring
- Managing the risk: agreeing measures to avoid, reduce or control the risk or its consequence.

2. Risk Identification

Risks can be divided into a number of categories and the following have been used here:

- Physical assets – buildings, equipment, IT hardware etc.
- Finance – banking, loss of income, petty cash etc.
- Injury to the public and/or staff – in halls, playgrounds and recreation grounds, etc
- Complying with legal requirements – agendas and minutes, records, etc
- Councillor propriety – declarations of interest, gifts and hospitality etc

3. Risk Evaluation

Risk Evaluation is essentially a 2-part exercise, answering the questions:

- What is the chance of the risk occurring?
- What is the likely impact if it does occur?

In smaller Parish Councils it is only necessary to classify the answers to each of these questions as Low, Medium or High

4. Risk Management

There are three main ways of managing risks:

- Manage the risk yourself
- Take out insurance to cover the risk
- Agree with another party that they will manage the risk on your behalf; this may include rewarding them for so doing

5. Risk Register

Identified risks are documented in a Risk Register.

It should be noted that Risk Assessment and Management is not a one-off exercise; risks should be constantly kept under review, especially as the business of the Council changes and new projects are undertaken.

6. Risk Assessment Matrix

Identified risks are assessed using the following matrix.

	Highly Likely (3)	Medium (3)	High (6)	High (9)
Likelihood	Possible (2)	Low (2)	Medium (4)	High (6)
	Unlikely (1)	Low (1)	Low (2)	Medium (3)
